| 15.45-17.00 | **REGIN Project External Network Encounter**  
Migrant and Refugee Integration and Inclusion (see separate agenda in annex)**
This External Network Encounter meeting is organised by the CPMR in the context of the - Regions for Migrants & Refugees Integration - (REGIN) project.

REGIN was created to mainstream migrant and refugee integration within social cohesion policies at regional level, by building a common framework to facilitate, guide and improve the performance of regions through innovative tools.

This meeting aims to provide an area of exchange for pilot regions to share their experience of REGIN tools and hear from other regions regarding opportunities for collaboration and how they can benefit and capitalise on the project results.

It will be also an opportunity to present the Integration Lab database.
