

Job Opportunity

The Conference of Peripheral Maritime Regions (CPMR) is looking to recruit a highly motivated intern to join its team in Brussels.

JOB TITLE	Climate & Energy Policy Intern
GENERAL DESCRIPTION OF THE JOB	Support the Climate and Energy team.
EMPLOYEE'S POSITION IN THE ORGANISATION	Report to the Policy Analyst in charge of Climate & Energy and Transport policy
STARTING DATE	September 2020
DURATION OF THE CONTRACT	6 months
LOCATION	Brussels
TYPE OF CONTRACT	A university training agreement is compulsory . If the successful candidate is not able to get an Erasmus+ internship grant, a monthly allowance of € 500 might be given.
APPLICATION PROCEDURE	Please send by the 17 July at the latest a one-page cover letter in English explaining how your education and experience are relevant to the position and a CV in English to jobs@cpmr.org , to the attention of Mr Catte, with subject "Application Policy Intern Climate & Energy"
INTERVIEWS	Only short-listed candidates will be contacted.
COVID-RELATED ISSUES	Please note that given the current situation related to COVID-19, the successful candidate might be requested to telework. Therefore, applicants must check if their university allows telework as part of their internship

1. Job summary & Key tasks

Provide support to the Climate and Energy team by carrying out the following tasks:

- Policy monitoring and support in the analysis of key EU climate and energy legislation and developments;
- Attend and report on external events organised by European institutions, CPMR Member Regions and other stakeholders;
- Gather information on CPMR member regions strategies, policies and EU funded projects related to climate and energy issues
- Research and analysis of adaptation and mitigation measures, tools and funds at EU, national and regional level;
- Follow-up of the MFF negotiations on climate issues and of the international climate debate with a focus on COP 26;
- Dissemination of CPMR work in Climate & Energy through the social media, articles and newsletter in cooperation with the Communication team;
- Logistic support to the CPMR, notably help organising relevant meetings, seminars and missions (including mailings and calls to members, speakers and partners);
- Other ad-hoc activities that might be identified during the internship (based on the needs of the CPMR team) in particular related to transport policy.

2. Qualifications and skills required

- Be enrolled or have a university degree in a relevant area (Public Policies, European Affairs, Political Science, etc.);
- Fluency in English and a working proficiency in a second EU language. A working proficiency in French, Greek, Italian, Spanish or Swedish constitutes an advantage;
- Interest and knowledge in Climate and/or Energy issues (but also solutions!);
- Strong interpersonal and communication skills;
- A good sense of humour and be a team-player.

The Conference of Peripheral Maritime Regions (CPMR) represents more than 150 regional authorities from 24 countries across Europe and beyond. Organised in Geographical Commissions, the CPMR works to ensure that a balanced territorial development is at the heart of the European Union and its policies.
