CPMR SEMINAR ON CIRCULAR ECONOMY AND THE ROLE OF THE REGIONS
16 October 2019 - Palermo

SESSION 3 – Circular Economy & Energy Transition

Lorenzo Lo Cascio

Regione Lazio
Lazio Region and circular economy

An integrated approach to support the transition

Favoring the transition to Circular economy supporting

• The development and the adoption of green technologies
• Green Public Procurement
• Development of common understanding on CE and establishment of partnerships with other regions at EU level
Lazio Region and circular economy

An integrated approach to support the transition

Development and adoption of green technologies and promotion of circular economy

• Reindustrialisation and Industry 4.0 programme
• Aree Produttive Ecologicamente Attrezzate (APEA)
• Innovative start-ups and research spin-offs
• FARE Credito (dedicated tools)

Looking forward the forthcoming “CE Transition Fund” for the next programming period 2021-2027
Lazio Region and circular economy

An integrated approach to support the transition

Green Public Procurement

• Introducing minimum levels of green goods/services in regional procurement (adoption of «green criteria»)
• Capacity building on GPP at regional level
• Providing assistance and support to local communities and municipalities for GPP (Green Managers)
• Awareness raising campaigns on Circular economy and GPP

More than 2,2Bn € of regional procurement over the last three years have been awarded applying the “green criteria” of GPP
Lazio Region and circular economy

An integrated approach to support the transition

Actively involved in the current EU debate on circular economy

- SCREEN (H2020)
- REPLACE (INTERREG)
- GPP Best (LIFE) and GPP Stream (INTERREG)
Lazio Region and circular economy

An integrated approach to support the transition

Key issues to accelerate the diffusion of Circular Economy in the 2021-2027 programming period

• State-Aid regulation on energy efficiency
• «End of waste» application (Waste package?)
• EU Financial tool for larger Green investments
Thank you!
